Experience

SMB Implementation Manager

July 2022 – March 2026

Neome.ai – B2B Workflow Automation SaaS (Seed-stage, 100+ enterprise clients)

India

- **Team leadership:** Led and mentored a **team of 10** implementation and BA professionals – owned end-to-end delivery across **100+ SMB and enterprise accounts** across HR, payroll, benefits administration, and IT platform, from discovery and BRD writing through configuration, go-live, and post-sales management.
- **Drive adoption & custom plans:** Consulted with clients to understand their unique objectives – developed custom plans, delivered bespoke guidance, best practices and insights empowering clients to maximize platform capabilities and realize the full potential of their investment.
- **Proactive project management:** Proactively managed implementations end-to-end – aligned on target timelines and specific goals, tracked dependencies, flagged risks early, ensuring each milestone met operational needs across **10 concurrent projects**.
- **Cross-functional collaboration:** Partnered with Sales, Account Management, Technical Account Management, and Support on seamless hand-offs and long-term customer success; worked with Product and Engineering to advocate for product enhancements that align with customer needs and industry trends.
- **Technical delivery & standardisation:** Hands-on NeoQL configuration achieving **80%+ reduction in manual effort**; migrated clients off **7+ tools** with zero downtime; built reusable playbooks – integrating customer feedback and learnings to increase operational efficiency and **cutting cost by 50%**.

Quality Assurance Analyst

Oct 2020 – June 2022

Wolters Kluwer India

Remote

- Reduced release bugs **25%**, increased test coverage **20%**, cut testing cycle time **30%** – Employee of the Month for **95% test coverage** and **15% QA efficiency gain**.

Key Impact

- **FMCG Field Operations:** Scaled to **800+ field agents** – compliance **40% → 90%+**, order processing **5x faster**, follow-up **12x faster**, **100%** accuracy.
- **Manufacturing Automation:** Replaced manual tracking with real-time automation – **85%** efficiency gain, **90%** error reduction, full digitisation, **24/7** monitoring.
- **HR & Workforce Verticals:** End-to-end HR onboarding, attendance, and approval workflow implementations – drove adoption with custom playbooks and post-go-live success reviews.

Education

K.J. Somaiya College of Engineering, Mumbai

Bachelor of Technology in Computer Science

June 2016 – June 2020

CGPA: 8.5/10.0
